THE MYTH OF LANGUAGE: FROM MISCOMMUNICATION TO COLLABORATIVE INTELLIGENCE

TURN MISUNDERSTANDING INTO CREATIVE FORCE— *True Connection Begins where Language Ends.*

In this powerful experience, Lilly Wong reveals how to transform everyday miscommunication into profound co-creative potential, fostering true connection. Learn to harness the silent language of presence, align thoughts and emotions, and cultivate an authentic communication intelligence that enhances team cohesion, drives innovation, and optimizes organizational performance. Prepare to shift from fragmented interactions to oneness communication, where clarity, empathy, and shared purpose converge, empowering your teams to connect with unprecedented impact and foster genuine understanding across your entire ecosystem.

THE MYTH OF INDEPENDENCE: FROM INSANITY TO UNITY

HOW TO OVERCOME AND PREVENT BURNOUT, with *ONENESS Emerging Intelligence™*

In this immersive keynote session, Lilly Wong, shatters the dangerous illusion of independence that drives leaders to burnout. Through powerful storytelling, cymatics research, and her ONENESS Emerging Intelligence™ Framework. She guides purpose-driven entrepreneurs and conscious leaders from fragmentation to unity. She reveals how to harmonize body, emotions, thoughts, and preceptions to prevent burnout and unlock true co-creation for sustainable success. This session is an invitation to reclaim your unique essence and vitality —because the future of leadership isn't about doing it alone, but thriving in ONENESS together.

THE MYTH OF \$\$\$: FROM SCARCITY TO WEALTH

MONEY CORRUPTS HUMANITY—OR IS IT THE OTHER WAY AROUND?

Heal Your Relationship with Money and Take Back Your Power.

In this highly impactful talk, Lilly Wong reveals how healing our love-hate relationship with money can shift us from scarcity to true wealth, allowing abundance to flow in support of our deepest purpose. Lilly delves into the transformative relationship between money and purpose, challenging the myth that "money corrupts" asking instead: What if humanity is corrupting money? By sharing her personal money journey, attendees will leave with practical tools to harmonize their financial life, opening up to conscious, and intentional wealth for each of us, and for a future enriched humanity. Ready to co-create with money?!

ABOUT LILLY

Lilly Wong empowers conscious leaders to break limiting myths and live their core purpose with clarity. A life-changing awakening led her to dismantle outdated narratives and embark on a transformative journey of rediscovery that reawakened her unique voice and purpose.

She spent years hacking the Universe within, mythbusting beliefs that confine human experience. Through deep transformation, she unlocked realms beyond the seen, collaborated with spiritual visionaries, and founded a modern mystery school guiding pioneers since 2012.

Today, as the Mother of Mythbreaking, Lilly dismantles the illusion of separation between the "spiritual" and "conventional" worlds, revealing her *ONENESS Emerging Intelligence™* as a catalyst for purpose-driven leadership; not only for the conscious leader, but for their team and the collective consciousness they serve.

Her talks, storytelling, and art challenge old paradigms, empowering wider audiences to break limits, transcend challenges, and thrive through purposeful living, harmony, and co-creation —for personal fulfillment and collective evolution.
