SPECIALIZATIONS

I am Lilly, a cosmic doula facilitating the birth of the New Human Umi Na uLa within you, a cosmic shaman bringing forward future consciousness tools to remember, activate integrate and express all your Cosmic Soul Potential, a cosmic ambassador sharing planetary messages in iLanguage aKhu•na (Consciousness Language).

In my early 30's, I appeared to "have it all" – a love marriage and a "successful career". Yet, a panic attack woke me up to realizing something profound was missing in my life: my own Cosmic Soul... my iSelf. So, I left it all behind to start my personal Self-Mastery journey and to rediscover my unique Soul expression.

Now, as cosmic visionary, I share leading-edge information through broadcastings, published material, talks, workshops, retreats and events. I have founded the ti-MaLu_uu ACADEMY, ti-MaLu_uu CREATIONS and the Umi Na uLa [i]Center. I co-create ground-breaking Consciousness [i]Tools to support the process of transition into a New Reality, such as the Lilithgram®, Horusgram® and the T.t.A. Suit® among others.

I love traveling the world, performing soul movements and being a catalyst for evolution. My most "precious" collection is Honey from all parts of the planet... an elixir of pure creation.

<< Lilly is the center of centers. She is the Holder of the Whole, the expression of the Whole and the amplifier of the Whole. She is a (holographic) mapper of nature force. The more she integrates all elements within herself, the more she becomes an emergent Archetype for that what wants to happen... (the New Human). >> **Barbara Marx Hubbard** – American futurist, author and public speaker

*iLanguage (Light Language) <<... is a new kind of instrument... for the vibration that you put forward is not something the planet has seen but it's right on schedule.>> Kryon for Lilly Wong channeled by **Lee Carroll** – Best Selling author of The Kryon Writings*

She supports intuitive, aware and visionary "*Black Sheeps*" (*who want to live out of the box*) to remember, activate and integrate their full Cosmic Soul (**iSelf**) potential so that they can share with clarity, purpose and courage their unique cosmic gift to the world, as we all together help humanity to ascend to a New State of Consciousness.

Here are some possible themes, but the best is to have a call with Lilly's Team so we can figure out what would be the best for you and your event. Make an appointment here:
